We found this old NWP 21. Does not appear that it was mined but 190 acres bottomland hardwoods were avoided and does mention the habitat plan.

I am looking for the permit on Millersburg North Mine. Do you have it or any of your comments?

Thanks

Andrea

George

Wondered what happened with this Peabody Mine. We found a copy the PCN, maps, EPA comments, and NWP 21 coverage letter and they are attached. It is directly north of the proposed

Seven Hills Mine.

Thanks

Andrea
